Dear Ms. Clemons and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 38 to the Rural non-Metropolitan Planning Organization area portion of the California 2015 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity in the amount of \$882,000 that relies on the State's federal programming capacity. The financial plan will be updated to reflect this change in the next FSTIP amendment.

Administrative Modification #38 modifies the following existing projects in the 2015 FSTIP:

State Elements:**Various Counties:**

Proj #1: CTIPS ID 230-0000-0134, Grouped Project Listing for State Highway Operation and Protection Program (SHOPP) Mandates – increases the funding by \$1.9 million in Fiscal Year (FY) 17/18 and revises the detailed backup listing of projects.

Proj #2: CTIPS ID 230-0000-0029, Grouped Project Listing for Emergency Repair – SHOPP Emergency Response – decreases the total funding by \$2 million and revises the detailed backup listing of projects

Proj #3: CTIPS ID 230-0000-0069, Grouped Project Listing for Pavement Resurfacing and Rehabilitation – SHOPP Roadway Preservation – increases the funding by \$990,000 in FY 17/18 and revises the detailed backup listing of projects.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

*"Provide a safe, sustainable, integrated and efficient transportation system
to enhance California's economy and livability"*

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2015 FSTIP.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
